PORTFOLIO

kmemonahmed.github.io

About Me

“ I have developed and maintained complex application back-end using Python, Django, Restful-API MySQL and SQLite along with various other technologies. I always love working with a technically strong team where I can collaborate to solve complex problems with a good balance of responsibility and also looking for an opportunity to prove myself.

Education

2017-2020

B.Sc. in Computer Science & Engineering-
Daffodil International University

2013-2016

Higher Secondary Certificate-
Govt. K.M.H. Degree College

2008-2013

Talsar Kazi Lutfor Rahman Secondary
School

Developed Applications

Advanced B2B Networking System- [BusinessToGlobe](https://businesstoglobe.com/)

Technologies : Python, Django, MySQL, LiteSpeed Server
Live : <https://businesstoglobe.com/>

Django Filter Application

Technologies : Python, Django and Heroku Hosting
GitHub Repo : <https://github.com/kmemonahmed/Django-Filter-Application>
Live : <https://filterapps.herokuapp.com/>

Django Full Rest Framework Code

Technologies : Python, Django & Django Rest Framework
GitHub Repo : <https://github.com/kmemonahmed/Django-Full-Rest-Framework-Practice>

GitHub Api Fetch Application

Technologies : Python, Django, Api-Fetch
GitHub Repo : <https://github.com/kmemonahmed/Django-Rest-API---Github-User-Access>

SOFT SKILLS

Critical thinking & Problem Solving

I always think critically and try to solve any complex problem with proper solution which will work the best with efficiently

Analytical skills

I always evaluating and analyzing my client's wants and needs and be ready to adapt to any changes they'd like to see implemented on the application.

Reuseable & Clean Coding

I always write code which is clean, reuseable and easy to understand to the other developers.

OTHER

Programming Contest

 2019

ICPC Dhaka Regional Preliminary Contest, 2019-
Daffodil International University
